Budget Delegate	Kelly Harkins	Idea #:	639
		ID:	29
		SVI:	2 (\$2,800,000)
		Budget:	\$1,750,000.00
Location	Smith Springs Community Center		
<b>Short Description:</b>			
Install a dog park with synthetic turf and separate areas for differnt size dogs.			
<b>Long Description:</b>			
A dog park that will have separated space and play features for both large and small dogs. It would be a fenced in/gated area where dogs can play and socialize off leash. It would require runoff areas to be filtered of dog waste, as well.			
<b>Metro Comments</b>			
<ul style="list-style-type: none"> <li>• Build a new dog parks with synthetic turf.</li> <li>• Divided into two dog parks, one for large dogs, and one for small dogs.</li> <li>• Each one must have a bio retention area that goes with it, to filter the runoff from the dog park.</li> <li>• They are also irrigated to wash down the urine from the synthetic turf.</li> </ul>			

*This project page has been curated by a budget delegate, drawing inspiration from ideas submitted by Nashville residents until June 20, 2023. It has been shaped with initial input regarding scope and budget from a Metro department. While Metro is committed to adhering to the specified scope, adjustments or even the potential elimination of certain aspects may become necessary during implementation, influenced by site-specific or unforeseen conditions. Furthermore, the projects' funding source is from the American Rescue Plan Act (ARPA), which current guidelines require all ARPA-funded projects be completed by December 2026. Should any project be delayed or expected to be delayed beyond this deadline, it shall be subject to elimination. The implementation timeline will be rigorously monitored to ensure compliance with this crucial requirement. Any prospective alterations to the project will be subjected to rigorous scrutiny and resolution by the steering committee during their regularly scheduled meetings.*
